SYNGEAR ROAD RANGER 50

Code: 9430
Date: 29-05-2020

DESCRIPTION

SYNGEAR ROAD RANGER 50 is designed for truck manual gearboxes such as Road Ranger, Eaton Fuller, Rockwell and Spicer. SYNGEAR ROAD RANGER 50 gives maximum protection to gearboxes under the most arduous operating conditions where high heat and heavy load are major factors in modern trucks. It provides long drain and severe service performance.

SUMMARY OF BENEFITS

SYNGEAR ROAD RANGER 50 is a non-EP fluid that contains anti-wear, anti-foam, oxidation, corrosion and rust inhibiting additives which are harmless to copper or soft alloy bearing materials which are often used in these types of transmissions. The synthetic formulation ensures that adequate protective oil film always adheres to the gear teeth surfaces for longer equipment life.
