TRUCK WASH

Code: 450
Date: 18-02-2021

DESCRIPTION

Truck wash is a concentrated water based high performance and non-caustic truck wash. This product effectively removes road grime and dirt from all surfaces including plastic, rubber, chrome, aluminium and paintwork.

Truck wash is bio-degradable and free rinsing. It is suitable for pressure washers and automated washing systems.

SUMMARY OF BENEFITS

- This product was specifically developed not to streak and suitable for use on side curtains of trailers and all fabrics found in the transport and marine environments.
- This product contains corrosion inhibitors to protect surface from rusting and does not contain caustic chemicals. It leaves paintwork shiny and streak free when used as directed.
- This product is economical to use and can be used across a broad range of dilution to control performance and cost

APPLICATION
